MIDWEST BROILER/FRYER - Final majority prices were unchanged to lower from last Monday's final; Ohio cities TFEWR. Whole broiler/fryer market tone was cautiously steady. Light offerings and an inactive trade call were reported. Demand was seasonally slow to fair at best into all channels for the most part, occasionally fairly good into fast food. Floor stocks were in close balance to instances fully adequate. Weights were desirable. Part offerings varied, but mostly limited on a light trade call. The market tone was generally steady on breast cuts and wings and barely steady to weak on the balance.
